

# Annual Christmas Craft Fair

Friday, Dec. 1st

Dow's Prairie Grange

5:30 p.m. to 8:00 p.m.

All age levels welcome

\$12 per girl

Girl Scouts will make a variety of take-away Christmas projects (8-9) that can make nice family gifts. They will also participate in a service project: making holiday cards for local Senior Citizens. We are also collecting cans of soup and cans of fruit for local food baskets.

Cost also includes a snack and participation patch. We encourage Daisies to come at 5:30 p.m. so that if they need to leave before 8 p.m. they will have time to complete their projects. While we have a great many program aides, troop leaders will need to have a proper ratio of volunteers to help their young scouts as needed.

Please **RSVP by Nov. 6th** (SU meeting night) A limited number of girls can be added after that date, but the earlier we get numbers, the better we can prepare the projects. **Girl names are needed in advance for a woodworking project as well.** This event is hosted by Troop 70181.
