On this Journey, Brownies learn about girls around the world and how stories can give them ideas for helping others, whether in their own communities or in other countries. They may play games from different cultures, invite storytellers to talk about what they do, or draw self-portraits that reveal what is unique about them. Then they team up to tell their own stories in a creative way. They may sew a quilt, paint a mural, write a play, or create their own ad. Girls can earn four awards that recognize what they learned about the world and how they inspired others by telling their own stories.
