

# Girl Scouts *Engineering Day*

**WHEN: Sunday, March 25, 2018**

**TIME: 10:00 am-2:30 pm**

**Registration begins 9:45 am**

**WHERE: HSU, Engineering Building**

Humboldt State University *Society of Women Engineers* is excited to present a special workshop for Junior and Cadette **Girl Scouts** intended to help them understand the work of engineers and how that work influences our daily lives. Girls will earn an SWE Engineering Day patch and work in small groups to complete some of the “Think Like An Engineer” Badge.

**Cost is \$5**

Individual girl registrations require medical records. Troop leaders can bring paperwork for girls attending as a troop. **Participants need to bring a bag lunch and a water bottle**

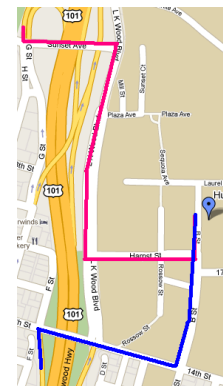

**Check –in time is 9:45 am**

Please have a roster of names to turn-in with the fee at the registration desk.

RSVP by March 10th—Space is limited  
Troops will be charged for no-shows.
