

# Humboldt & Del Norte TROOP CAMP CERTIFICATION 2017

## BUT CAMPING IS "NOT MY THING"!!!

Outdoor activities are a central part of Girl Scouting. When asked, the majority of girls in scouting will tell you that outdoor activities, and camping in particular, are their favorite scouting activity.

So what do you do if the outdoors, sleeping on the ground and camping are "not your thing"? Remember that **you** do not need to lead camping trips. All that is required is that you have a trained, registered and screened adult member who has completed outdoor training.

## SUNDAY JUNE 4 (9:00am – 5:00pm)

Kingham's House - 1635 Prairie Hawke Court, McKinleyville

**THIS IS TRAINING IS OFFERED AT NO COST**

This course is required for at least one adult who will accompany the troop on a camping trip and who will be involved in the planning process with the girls. If your troop will either cook OR sleep outdoors (or in shelters without electricity or indoor plumbing.) then this training is required. Emphasis in this course is on how to teach skills to girls and prepare them for their outdoor experiences, as well as health and safety concerns when camping in a large group.
