I understand that I must be a registered and screened Girl Scout volunteer. Acceptance as a volunteer is not automatic and is subject to the needs of the camp. I may be asked to be interviewed either in person or by phone and that camp staff may ask GSNC council staff and volunteers for references. If appointed, I understand that I will report to the Camp Director who will assign me my position and responsibilities. I am required to participate in training which may require attendance at meetings, in telephone conferences, webinars or in reading materials. If I am unsure as to my duties or how to complete them, it is my responsibility to ask. My primary responsibility at camp is the safety and the well being of the girls. I agree to abide by the GSNC volunteer policies as detailed in the current edition of Volunteer Essentials. I hereby consent to photographs, electronic images (moving or still) and/or audio recordings of myself to be used by Girl Scouts for public relations and publicity purposes

I further understand that if my performance or behavior is unsatisfactory, I may be removed from the position to which I am appointed.
