The purpose of this American Red Cross training course is to teach the lay responder the knowledge and skills necessary to respond to both life-threatening and common first aid emergencies.

You will learn the skills to respond to cardiac and breathing emergencies in Adult, Children, and Infants along with skills to care for common first aid emergencies including sudden illnesses, burns, cuts, and more. The use of automated external defibrillators (AEDs) is included in this course.

**Get CPR trained.**

**Save a life.**

After successful completion of this course participants may choose to receive American Red Cross Adult and Pediatric CPR/AED and American Red Cross First Aid certification cards that are valid for 2 years.
