

Engineering Day

WHEN: **Sunday, February 26th**

TIME: **10:00 am-2:30 pm**

Registration begins 9:45 am

WHERE: **HSU, Engineering Building**

Cal Poly Humboldt's *Society of Women Engineers* is again excited to present a special workshop for **Junior and Cadette Girl Scouts** intended to help them understand the work of engineers and how that work influences our daily lives. Girls will earn a SWE Engineering Day patch and work in small groups to complete some of the "Think Like An Engineer" Badge.

Cost: \$5

Girl registrations require health histories. Troop leaders can bring paperwork for girls attending as a troop. One volunteer needed per troop for ratio. Juliettes can be drop-off.

Participants need to bring a bag lunch and a water bottle

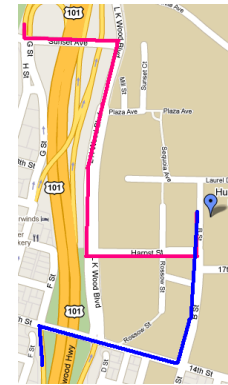

Check -in time is **9:45 am**

Please have a roster of names to turn-in with the fee at the registration desk.

RSVP by Feb. 12th with Girl Names & grade levels
Space is limited to 50 girls
Troops will be charged for no-shows.

To RSVP, call or e-mail
