

Make Ukrainian Easter Eggs and support Ukraine's children! Open to 5th to 12th grade & Adults

Saturday, April 29th
12:30 pm to 3:30 pm
Dows Prairie Grange
\$10 per girl or adult

This unique and beautiful craft is a tradition for Easter in Eastern Europe. The \$10 will include one chicken egg, wax, dyes, and a simple stand. Half the fees will be donated to support children refugees from Ukraine. Diane Johnson is donating her time, tools, and will be varnishing the eggs for us. To complete an egg takes from 90 minutes to 2 1/2 hours depending on how detailed your design is. Instructions will be given once everyone has arrived so please be on time to start the artistic fun.

To register email clkingham@outlook.com or call 707-839-3714 by April 1st.

Please provide list of those will be attending from your troop, including adults. Below you can see samples of this art form. The ones in the bowls were made by our troop at our last event.

Each Troop participating is encouraged to bring pasta, canned fruit, soup, or vegetables for the crisis pantry to help our local kids as well.
