PROGRAM AID TRAINING

You must be in 7th grade or above to take this training

You will discover ways to work with younger scouts, organize activities, and lead songs and games. Learn some of the characteristics of younger children, how to deal with behavior issues, and disabilities.

This is also a first step to developing the skills you will need to become a counselor in training (CIT) at camps (like Camp Tall Trees) or a volunteer in training (VIT) working with other troops. Completion of this training allows you to work toward earning your Program Aide Pin. **There is no cost for this training.**
