

17th Annual Christmas Craft Fair

Friday, Dec. 6th

Dows Prairie Grange

5:30 p.m. to 8:00 p.m.

All age levels welcome

\$14 per girl

Girl Scouts will make a variety of take-away Christmas projects (9-10) that can make nice family gifts or keepsakes. They will also participate in a service project: making holiday cards for local Senior Citizens. **We are also collecting cans of soup and pop-top fruit & granola bars for local food baskets.**

Cost also includes a snack and participation patch. We encourage Daisies to come at 5:30 p.m. so that if they need to leave before 8 p.m. they will have time to complete their projects. While we have a great many program aides and adult volunteers, we will need to have a proper ratio of volunteers to help the younger scouts as needed. Girls can leave when they are done, but two projects this year involve the very popular wood burning which is more time-consuming. They will also be making a stocking.

Please **RSVP by Nov. 14th** - A limited number of girls can be added after that date, but the earlier we get numbers, the better so that we can prepare enough projects.

Troop No. _____ Age Level: _____

Number of Girls Attending _____ @ \$14.00 per girl

Money enclosed: _____

Troop leader to bring health histories, annual permission slips and rosters for girls attending.
