19th Annual Christmas Craft Fair

Friday, Dec. 4th
Dows Prairie Grange
5:30 p.m. to 8:00 p.m.
All age levels welcome
$14 per girl

Girl Scouts will make a variety of take-away Christmas projects (9-10) that can make nice family gifts or keepsakes including a holiday centerpiece. All scouts will participate in a service project by making holiday cards for local Senior Citizens.

We are also collecting cans of soup, chili, tuna, and pop-top fruit for crisis food baskets.

The cost also includes a snack and participation patch. We encourage Daisies to come at 5:30 p.m. so that if they need to leave before 8 p.m. they will have time to complete their projects. While we have a great many program aides and adult volunteers, we will need to have a proper ratio of volunteers to help the younger scouts as needed. Girls can leave when they are done, but one project this year involves wood burning which is more time-consuming.

Please RSVP As Soon As Possible - the earlier we get numbers, the better we can prepare enough projects for all.

Troop No. _____ Age Level: _____

Number of Girls Attending _____

Please tell me if your Troop is paying or if individual girl participants are paying at the door.

Troop leader to bring health histories, annual permission slips and rosters for girls attending.

***Remember to save nut boxes and bring them to carry home projects*!!**
